

Communication Solutions for Your Business

Boost your Business with Special Pricing

OAR has partnered with Premiere Global Services to offer audio and web conferencing and services at special pricing. These solutions can be used everyday, anytime to improve your business communications.

Conferencing Solutions

Audio/web conferencing can revolutionize how you meet and work across offices, uniting people as powerful/effective teams.

- Increase communication
- Save on travel costs
- Increase productivity
- Speed decision making

Desktop Fax Solutions

Fax2Mail allows you to send, receive, store, forward & print faxes right from your desktop/email. No fax machine necessary.

- Available everywhere
- Increase security
- Reduce business costs
- Improve document delivery
